

**PRESS RELEASE**  
**For Immediate Release**

**CHESTNUT STREET AREA PARTIAL SEWER SEPARATION PROJECT**  
**HARRISON TOWNSHIP, NATRONA HEIGHTS, PA**  
**RIVER AVENUE (BRACKENRIDGE-NATRONA ROAD) ROAD CLOSURE/DETOUR**

Harrison Township is announcing the road closure/detour of River Avenue (Brackenridge-Natrona Road) in Lower Natrona, Harrison Township, Allegheny County for a sewer construction project. The detour will become effective at 7:00 a.m., Monday, January 22, 2018 and is expected to continue for approximately two weeks depending on weather conditions and construction progress. The detour route will be posted.

The detour will be in place 24 hours/day until the work is complete. The detour consists of the closure of River Avenue between Mile Lock Lane and Federal Street at the intersection of Vine Street, AKA Argonne Drive. Traffic within the closed section of River Avenue will be limited to local traffic, emergency vehicles and authorized construction vehicles.

North bound traffic on River Avenue will be detoured to Mile Lock Lane then right on Freeport Road (SR 1001), right on Springhill Road to North Canal Street to Federal Street.

Traffic traveling south on North Canal Street to Federal Street will begin the detour at the intersection of Federal Street and Vine Street, AKA Argonne Drive. Traffic will be detoured right onto Vine Street /Argonne Drive. The Detour continues along Argonne Avenue to left on Freeport Road (SR 1001). Then left to Mile Lock Lane. Follow Mile Lock Lane to the intersection of River Avenue (Brackenridge-Natrona Road), end detour.
