

2/6/18 Planning Commission Mtg Minutes

All planning commission members were in attendance, as well as Commissioner Chuck Dizard and Zoning Officer Lindsay Fraser

1. Comprehensive Plan update/discussion
 - a. Lindsay has heard nothing back from Brackenridge or Tarentum on interest in participating in a multi municipal plan. She stated that she believes that if Tarentum signs on to a multi municipality plan, Brackenridge will follow suit
 - b. The citizen survey was reviewed, and it was agreed that until we knew which neighboring communities we were partnering with, it was premature to move it any further.
 - c. Jason will contact Jim Pashek concerning attending and speaking at our next meeting
 - d. Ken will contact Michael Nestico, the new borough manager in Tarentum, and ask to meet with him to discuss interest in participating in a multi municipal plan
 - e. Cody Nolan, a new resident who is interested in becoming a planning commission alternate, stated that the citizen survey should be distributed via multi platforms, i.e. hard copies, Facebook, township website, the Savvy Citizen app. etc., when the time is right
