Re: SR 1037(A03) Saxonburg Road
Harrison Township
Allegheny County
ECMS No. 107983

Dear Ms Payne:

This letter is to inform you that we are currently under contract with the Pennsylvania Department of Transportation to perform the above referenced slope and roadway rehabilitation project.

We will begin this project on March 26, 2018 with a project completion date of October 9, 2018. The project work includes utility relocation, landslide remediation, drainage improvements, bituminous pavement, guiderail and other miscellaneous construction. The project will require full closure and detour of a portion of SR 1037 – Saxonburg Road. Local driveway access will be maintained at all times. Please see the enclosed traffic control plan detail that shows which section will be closed (red hatched area) as well as the accompanying detour routes for the project.

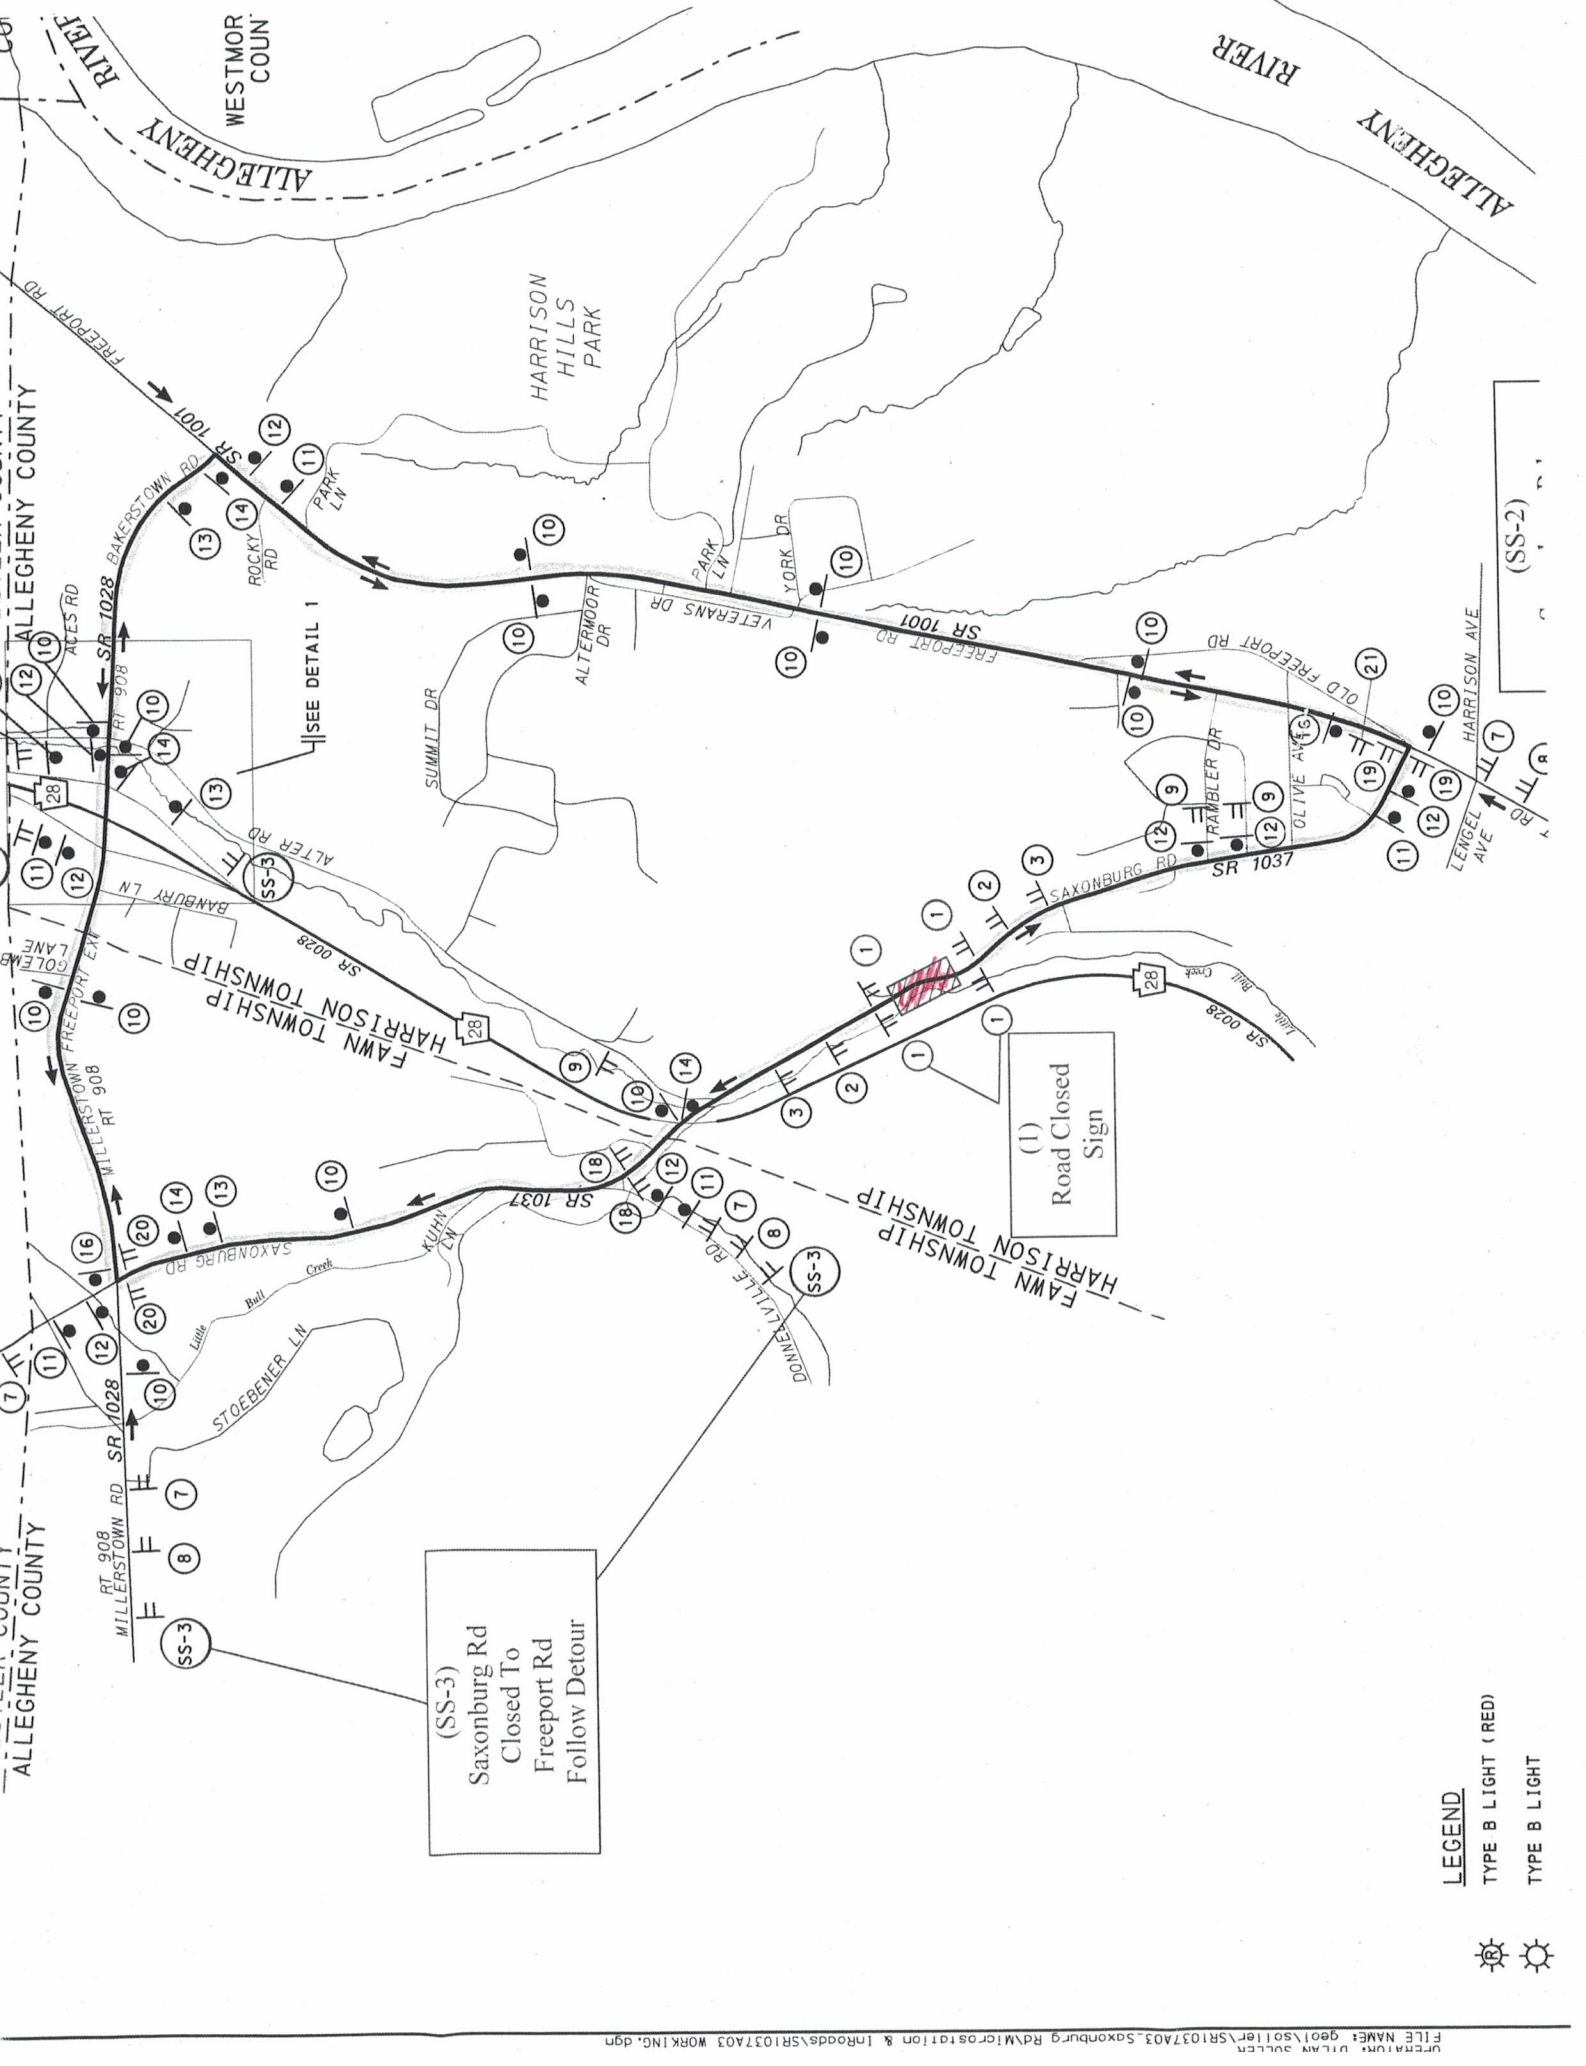

Please contact our office if you have any questions or require additional information.

Sincerely,

Dominick A. D'Angelo, Project Engineer
